ZERO-SORT RECYCLING

We are pleased to offer our customers a more expanded recycling program. We need to deliver the recyclables to the Recycle Center properly in order for it to be acceptable. All recyclables must be clean but they no longer need to be sorted. You are allowed up to two (2) 30-gallon cans or four (4) 15-gallon recycle bins. Please have everything ready by 7AM on your pick up day. A separate truck and driver will remove your recyclables.
